Sacred Classics Translator Program - Fall Term, 2004

Quiz, Class 7

- 1) What three letters of the Tibetan alphabet function as head letters?
- 2) Which columns (and rows) of letters do these head letters attach to? What is the respective effect on the pronunciation of the letters of each column?
- 3) The approach of which great master does Kedrup Tenpa Dargye follow in order to set forth a comprehensive treatment of emptiness? Also give the two specific methods used by this 'Savior' to establish the meaning of emptiness.
- 4) What are the two works (or collections of works) composed by this Savior to present these two methods for establishing the meaning of emptiness?
