Tell them our road is at Hwy 80 milepost 307.5, and we are located 8 miles east of there, near the entrance to the Coronado National Forest.

Injury or illness: Bring injured person to Sierra Vista Hospital. Take Hwy 80 off our dirt road towards Tombstone, then right on Hwy 82 towards Sierra Vista. Left on Hwy 90, left on Fry Blvd. in Sierra Vista. Right on El Camino Real (after Moorman Ave.). Hospital is on El Camino Real. Hospital also has helicopter for medical evacuation. Poisons: 1-800-362-0101

Snakebite: Keep lower than heart level, no ice or tourniquet, use Sawyer extractor, but no razor. Take to hospital a.s.a.p.

Scorpion: For children younger than two, take to hospital. Otherwise take Tylenol, etc. for pain. Symptoms include tingling, numbness and pain, which may move around to other parts of the body.

If you are bitten by a snake, come to the caretakers' yurt to be driven to the hospital. If you need help, or if nobody is there, sound your horn.
