Quiz, Class 1

1) What five letters of the Tibetan alphabet function as prefix letters?

2) We found that Kedrup Tenpa Dargye's list, in his *Uma Chidun*, of the 16 logical terms in Arya Nagarjuna's *Smashing Things to Fine Dust* differed from lists in other inputted texts. How should a Lotsawa deal with this anomaly?

3) How does Kedrup Tenpa Dargye connect the seventh chapter of Arya Nagarjuna's *Root Text on Wisdom* with his *Seventy Lines on Emptiness*?
