## Sacred Classics Translator Program - Winter Term, 2005

### Homework, Class 3

- 1) What letters of the Tibetan alphabet function as suffixes?
- 2) What changes do the suffixes ལ་ ལྟ་ and ལུ་ make to the pronunciation of a word?
- 3) In what argumentative style did Kedrup Tenpa Dargye generally write *Uma Chi Dun*? How important is it that our translation reflect this style?

4) Kedrup Tenpa Dargye reviews the different interpretations of Arya Nagarjuna's position put forth by his followers. Whose commentary does he say he will follow in explaining his own position? What are the two general reasons that he gives for this decision?

5) Give, in both the Tibetan script and the English translation, the famous quotation from Lord Atisha's *Two Truths* which is scriptural authority for the argument that Master Chandrakirti was a direct disciple of Arya Nagarjuna.
